

Click here to read a recommendation from a Phillipsburg parent,

“I highly recommend New Jersey Tutoring because my son REALLY benefited from it. He got a 1510 on the SAT (790 Math/720 Verbal) and a 33 on the ACT, all this from hundreds of points lower on the PSAT. I had looked into numerous other tutoring organizations before I signed my son up with NJT, but they were all super expensive and not in a smaller classroom environment. Also, they did not offer tutoring for BOTH SATs and ACTs. Instead, you would have to pay an additional fee to add on tutoring for one of the other tests.

I will be signing up my other son, (who just started his sophomore year) to take his tutoring classes this spring. There have also been quite a few of my son’s senior friends that, based on our recommendation, have used New Jersey Tutoring, and they have been extremely pleased with their SAT/ACT scores also!”
