

# WARREN COUNTY TECHNICAL SCHOOL DISTRICT

1500 Route 57, Washington, NJ 07882-3538

[www.wctech.org](http://www.wctech.org) 908-689-0122

March 13, 2020

Dear Parents & Guardians,

In consultation with the school districts in Warren County, the Health Department and following the lead of other counties throughout the state, all Warren County schools are closing effective Monday, March 16, 2020, for ten school days, until March 27, 2020 or until further instruction from the Governor or Department of Health.

The district will implement our School Closure Preparedness Plan effective immediately. The School Closure Preparedness Plan can be found on the district website on the home page ([www.wctech.org](http://www.wctech.org)). This plan allows our district to count today and any subsequent days toward our 180-days of instruction as required by the New Jersey Department of Education (this means we will not be required to make up this day).

The district staff will be working to ensure this process works effectively. Students should transition to the plans that their instructors have communicated with them. Also, your child will be able to communicate with their instructors via email.

If you have any questions or concerns, please reach out via the emails provided in the School Closure Preparedness Plan or call the school at 908-689-0122. We will continue to update you on the status of the mandated closing as more information is provided to us.

Regards,

Edmund Zalewski  
Superintendent
