January 2019

Dear WCTS Parents,

On Friday, March 29th, the Warren County Technical School PTSA will be hosting its 10th Annual Tricky Tray fundraiser for which we are requesting family donations. As you know our high school provides quality education to students from all over Warren County. Our students are dedicated to and are held to the highest standards in education.

The PTSA greatly appreciates all the work and generosity that goes into these baskets. Not only are these baskets money makers, but a reflection of our school pride.

All proceeds from this fundraiser will be used for scholarships, student assemblies and activities, team building and teacher requests for supplies & equipment.

Your donation can be in the form of gift baskets, products, merchandise gift certificates or service certificates. We also accept monetary donations to sponsor a basket. With your help, we can make this fundraiser a huge success. We hope that you will be interested in donating an item for our fundraiser. We are also collecting baskets, to be used to put donated items in. Do you have unwanted Christmas gifts? Send them in and help accent a basket.

It would be greatly appreciated if your donation is received on or before Friday, March 8, 2019, as we want to make sure every business or organization is acknowledged for their generosity in our program booklet.

We would not be able to hold this event without the generosity of businesses and individuals like you. Thank you for your consideration and support for our students and our school.

Warm Regards,

Kim Silverthorn
