A fun, affordable and unique shopping experience comes to Warren County.

The hustle and bustle of the holidays will soon be upon us. This is a unique way to bring joy back to your holiday shopping.

130+ quality crafters will line the halls and fill the cafeteria and gymnasium of the school, offering a wide assortment of crafts. Shoppers will find familiar pieces such as handmade soy candles, body fragrances and natural soaps, holiday décor, unusual ornaments, jewelry, handmade sweaters, purses, handbags and MUCH more.

The event is a one-stop shopping extravaganza, giving bargain-hunters an enjoyable holiday shopping experience. Buyers will have a unique opportunity to find gifts for loved ones and friends who may be hard to shop for, or for those on the list who seem to have just about everything. New crafters are added each year. Warren Tech students will be selling affordably priced baked goods, lunch selections, snacks and treats to fund-raise for school clubs and activities. Patrons are encouraged to bring a non-perishable food item for the school's annual holiday food drive. All attendees will be entered into a drawing to win door prizes donated by the crafters. Additional door prize tickets are available for purchase.

"Crafts in the Warren Tech" is a premier Warren Tech PTSA fundraiser. All proceeds benefit the students and will fund scholarships, academic, sports and cultural programs.
